Agenda for February Meeting

Hello fellow volunteers,

Welcome to Dani Bruno and Bob Burke who are new board members. We'll all share phone #s and email addresses before the meeting is over.

We're back at it again tomorrow afternoon. First off we need to elect our officers for 2018 and then continue with the meeting. We need to make a decision on the tree trimming and on a comment for the well request in particular.

Thank you for helping to give our community a voice!

Janet
